Avenida Manolere

Directions from Malaga Airport:

Upon exiting the airport, follow signs for 'Malaga / Cadiz'. After the first roundabout keep to your right and follow signs to 'Torremolinos / Cadiz' and join the 'A-7' (formerly known as the N-340) highway. Keep in the inside lane for just 2 km, don't take the first exit but once you see a blue sign over this inside lane for 'Benalmadena / Algeciras (E-15 / A-7)', exit the highway and join the motorway. Bypass Torremolinos and Benalmádena and follow signs for 'Fuengirola / Algeciras', after just over 14.5 kms you will see an illuminated sign indicating the 'E-15 / AP-7 - Marbella / Algeciras' to the left and the 'A-7 Fuengirola / Algeciras' to your right. Take the new toll motorway 'E-15 / AP-7' 'Autopista del Sol' to your left. We strongly recommend you take this route even though there is a cost. Follow signs for 'Puerto Banus' and proceed through the tunnel and past the floodlit golf course (not always lit) on your right. DO NOT EXIT AT THE FIRST PUERTO BANUS SIGN, take the second exit signposted 'Puerto Banus / Nueva Andalucia'. After turning off, stay on the left hand side of the road going uphill towards 'Nueva Andalucia'. At the first roundabout go straight ahead (Bullring on the right) and the Aloha Gardens signpost will be on your right. Follow the road straight on across two roundabouts, at the 3rd you will see Aloha Gardens signposted (on your right). Turn right onto Avenida del Prado and Aloha Gardens is on your right.
